

How to Register for the HazMat Awareness Course

Go to: <https://canvas.instructure.com/enroll/Y9K4TN>

- Enter your email address and select “I am a new user.”
- If you already have a Canvas login associated with your current email address, select “I already have a Free For Teachers login.” You will be able to login and complete registration for the course.
- You will then be asked to enter your full name and agree to the terms of use policy. After doing so, select “Enroll in Course.”

The screenshot shows the Canvas enrollment interface. At the top is the Canvas logo. Below it, the heading "Enroll in HazMat Awareness" is displayed. A message states "You are enrolling in HazMat Awareness." followed by the instruction "Please enter your Email:". There is a text input field for the email address. Below the input field are two radio button options: "I am a new user" and "I already have a Free For Teachers login". At the bottom left, there is a link "View Privacy Policy" with an external link icon.

- You will have the option to “Go to your Dashboard” or “Go to the Course.” Ignore these options and open your email account.
- You will receive a Confirm Registration email from Instructure Canvas.
- Select “Click here to finish the registration process.”
- You will be redirected back to Canvas and asked to set up a password for your account and complete the registration process. Once registration is complete, you will have access to the course.
- The course will display in the “Dashboard” tab.
