Salt Lake City Fire Department and Utah Fire and Rescue Academy are pleased to sponsor:

IS 201 – Developing the Incident Action Plan

Place:  Salt Lake City Public Safety Bldg  
3rd Floor Training Room  
475 S 300 E, Salt Lake City, Utah

Date:  December 15th, 2016

Time:  0900 – 1300

Class Size:  10-15 students

Description:  Students will learn how ICS forms are used as the foundation to build an Incident Action Plan (IAP). Through simulated exercises the student will learn about the most commonly used forms, and they will build an IAP from scratch.

Prerequisites:  There are no required prerequisites, however, it is highly recommended that those attending this class be trained to at least the ICS 300 level.
