

## COURSE DESCRIPTION

All students are responsible for bringing their **IRPG** (Incident Response Pocket Guide), **FLHB** (Fireline Handbook), and applicable **PTB** (Position Task Book) to each class session. Additional items to bring will be mentioned in the course acceptance letter. As a student, you are responsible for double-checking your enrollment status and current address, phone numbers, and email addresses. This will help ensure that you will receive any and all information pertaining to the class for which you are enrolled. **If your supervisor has enrolled/nominated you, it's critical that you double-check your enrollment status.**

To see the updated enrollment for a class, go to [uvu.edu/ufra/training/wildland/schedule.html](http://uvu.edu/ufra/training/wildland/schedule.html) and click on the "roll" link. If you have any questions or concerns, call Dan Cather at (801) 863-7423.

### **I-300. INTERMEDIATE ICS FOR SUPERVISORS AND EXPANDING INCIDENTS**

#### **Course Description**

This course describes in detail the Incident Command System (ICS) organization and operations in supervisory roles on expanding or Type 3 incidents. Topics include ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, unified command, incident resource management, planning process, demobilization, transfer of command, and close-out.

This course was developed in conjunction with the US Fire Administration's H465 course and the Emergency Management Institute's G300 course. These courses are built on the same lesson objectives and content as the NWCG I-300 course and are interchangeable. They are all National Incident Management System (NIMS) compliant.

#### **Objectives**

Upon successful completion of this course, students should be able to:

- Describe how the National Incident Management System (NIMS) Command and Management component supports the management of expanding incidents.
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System (ICS).
- Implement the incident management process on a simulated Type 3 incident.
- Develop an Incident Action Plan (IAP) for a simulated incident.

#### **Target Group**

Type 3 incident management team (IMT) candidates, incident middle management (unit leaders, division/group supervisors, and strike team leaders), elected officials, line officers, lead dispatchers, multi-agency coordination (MAC) members, director heads (public works directors, fire chiefs, sheriffs), emergency managers, and agency representatives

#### **Course Prerequisite**

Basic ICS for Single Resources and Initial Action Incidents (I-200)
