

COURSE DESCRIPTION

All students are responsible for bringing their **LAPTOP, IPAD, IRPG** (Incident Response Pocket Guide), **FLHB** (Fireline Handbook), and applicable **PTB** (Position Task Book) to each class session. Additional items to bring will be mentioned in the course acceptance letter. As a student, you are responsible for double-checking your enrollment status and current address, phone numbers, and email addresses. This will help ensure that you receive all information pertaining to the class for which you are enrolled. **If your supervisor has enrolled/nominated you, it's critical that you double-check your enrollment status.**

To see the updated enrollment for a class, go to uvu.edu/ufra/training/wildland/schedule.html and click on the "roll" link. These are updated weekly. If you have any questions or concerns, call Michael Alforque at (559) 696-5877 or email michael.alforque@uvu.edu

ICS-300 Refresher

Course Description

This course describes in detail the Incident Command System (ICS) organization and operations in supervisory roles on expanding or Type 3 incidents. Topics include ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, unified command, incident resource management, planning process, demobilization, transfer of command, and close-out.

This course was developed in conjunction with the US Fire Administration's H465 course and the Emergency Management Institute's G300 course. These courses are built on the same lesson objectives and content as the NWCG I-300 course and are interchangeable. They are all National Incident Management System (NIMS) compliant.

Objective

- By the course conclusion, students will be able to demonstrate through activities, the duties, responsibilities, and capabilities of an effective ICS in expanding incidents.

Target Group

The target audience for this course is individuals who may assume a supervisory role in expanding incidents. This includes Command and General Staff positions as well as Division/Group Supervisor and/or Unit Leader level positions that may be activated during an expanding incident that typically extends into multiple Operational Periods.

Course Prerequisites

The following prerequisites are mandatory for the ICS 300 Refresher Training Class: ICS-100, ICS-200, ICS 300, IS-700, and IS-800.
