of students of color **92.4%**  
has increased nearly since 2009

*"Schools like Utah Valley [University]  
... are the future of higher education,  
where one institution or one system  
can address the full needs of a city or  
state's workforce with multiple  
resources for education."*

—EDUCATION DRIVE, WASHINGTON DC

UNIVERSITY

# UVU 2017 LEGISLATIVE PRIORITIES

## BUDGET PRIORITIES

### **Compensation** (USHE \$32.9M/UVU \$4.6M)

Be competitive in the global talent market to attract, reward, and retain top faculty and staff who can prepare citizens and workforce-ready graduates

- 3% performance-based compensation
- 7% health premium increase

### **Student Growth and Market Demand**

#### **New Student Growth** (USHE \$4M/UVU \$1M)

- Half of K-12's growth in the last decade has been in Utah County
- UVU projects over 45,000 students enrolled at the University by 2025

#### **Market Demand Programs** (USHE \$19.4M/UVU \$2.4M)

- Expand tech and computing programs for access and timely completion
- Develop new healthcare programs to meet demands of a growing population
- Graduate programs in computer science and cybersecurity
- Learning support and tutoring services for STEM programs

### **Performance Funding** (USHE \$10M/UVU \$1.4M)

- Student Success: Completion
- Advisement, technology, and infrastructure

## CAPITAL FACILITY PRIORITY

### **Woodbury School of Business** (Total estimated cost \$70M)

- New 180,000-square-foot building to develop Utah's future workforce
- UVU has the largest business school in USHE with 5,038 students
- UVU has the least square footage of classroom space per student in USHE
- 2 for 1—Existing business building will be repurposed to classroom and faculty office space to help meet needs of growing student body

### **Transportation Needs**

- Skywalk to connect west campus and FrontRunner to UVU main campus
- 8th South Orem interchange (MAG's phase 1 plan)
