From the Desk of the Governor

We have officially completed nine months of the Rotary year and we have seen many aspects of life going by. While the pandemic is considered almost a thing of the past, forest fires, a severe drought, floods and now extreme amounts of snow throughout the state accompany disasters throughout the world.

For us Rotarians, there is something valuable that keeps us aligned, strong and relevant:

Continuity!

We understand the value of Service, we value the attitude of doing good in the world, and we focus on the resilience of Fellowship and preserving the legacy of Rotary.

We get together more often, we share more ideas, projects, and opportunities.

The District Governors' line is working on the vision of a future on which we work together to achieve better results and provide training and leadership

throughout the whole district—opening opportunities for participation in committees, club leadership, district leadership and more.

Continue to imagine the world with health and hope for a better tomorrow where we can change a life for the better every day! Be a Rotarian who shares a hope for a better tomorrow and let's continue to:

Celebrate Together!

Jose Velasco
Utah Rotary District Governor 2022-2023
josevelasco5420@gmail.com

Utah District Conference Early Bird Registration is Open!

It's now only a few weeks until Rotarians from all around District 5420 will come together to ***Celebrate Imagination*** at this year's Utah Rotary District Conference.

This event, which District Governor Jose Velasco calls *a party to remember* will be held at the beautiful new Midvalley Center for the Performing Arts at 2525 Taylorsville Blvd. in Taylorsville Thursday-Saturday, May 4-6.

Outstanding conference speakers include Sharon Eubank, Brian Mullahy, Rotaractor Ignacio Gonzalez and Immediate Past RI President Shekhar Mehti--all guaranteed to bring their exciting "A game" to the Conference.

Early bird registration is \$185 per person until April 13. On April 14, the price goes up to \$200!

Register online today at <https://www.5420dc.org>

Can't plan ahead? In-person registration opens onsite at 2 p.m. on Thursday, May 4 followed by the annual District Business Meeting at 3 p.m. On Saturday, the closing bell will ring at noon.

Watch for more information on speakers, breakout sessions and other activities on Facebook or in your email.

**CELEBRATE
IMAGINATION**

Native American Assistance Fund Established in Helen Summers' Name

Bountiful Rotary Club has established a special account in memory of Helen Summers. This vivacious wife, mother, grand and great grandmother was a longtime Rotarian who gave the full measure of “service above self” in her club and with Paul Summers, a fellow Rotarian and her husband of 58 years.

Helen passed away just days before Christmas, 2022, from injuries sustained in a fall only hours after delivering - alongside Paul - Christmas blankets and warm winter socks to elders living in the Four Corners area.

She will be missed for years to come by those who knew and loved her but proceeds from the **Helen Summers Native American Assistance Fund** will continue to provide resources to address needs among the Native American Tribes of Utah, including those in and around Monticello where she spent her childhood. To the end of her life, Helen was active in projects in several of the tribal communities in Utah Rotary District 5420.

The Bountiful Rotary Foundation is a 501(c)(3), tax-deductible foundation.

- Checks may be made out to Bountiful Rotary Foundation with “Helen Summers NAA Fund” on the “for” or “memo” line. Mail to Bountiful Rotary Club, PO Box 451, Bountiful, UT 84011.
- Venmo to @Bountiful-Rotary with “Helen Summers NAA” on the “for” line

Helen Summers loved helping these wonderful people. She was a bright light with big talent in a tiny package! Her husband Paul Summers continues to lead the way in helping the Native American community.

Three More Foreign Clubs Ask For Your Help Choose One! It Can Be Your Club's International Project

Last month four foreign Rotary clubs asked for our help. Since then, four Utah clubs answered the call and we are so grateful. Here are three more projects that need assistance. Email **Jerry Summerhays**, District International Service Chair, if your club can help. **SummerhaysGS@gmail.com**

Restore Electricity to a School in Ecuador

Bill Stumbaugh, Rotary Club Bahía de Caráques, Ecuador, urgently asks for \$1,604 to restore electricity for the 300 students at the Jaime Pólit Fiscal School in Fanca,

Ecuador. The school has no electricity because extreme rains caused a massive electrical surge and consequent short circuit damage. His Rotary club has painted classrooms, constructed bathrooms, and provided digital tablets but needs \$1,604 to restore electricity **before classes return from vacation in May 2023!**

Keep People from Going Blind in Mexico

President Carlos Calderon of the Irapuato Villas Rotary Club in Irapuato, Central or Colonial Mexico, asks a Utah Rotary Club to help them provide Cataract Surgery for poor people. “We have ophthalmologist surgeons who have the equipment to perform the operations free of charge in terms of their services and facilities,” he says. “What costs about \$650 per surgery is the intraocular lens and medications. Could you fund 1 or 2 of these surgeries? “We can provide you the clinical history of the candidates,” says President Calderon. **“If we do not help them, they will go blind.”**

Desks for Children in Guatemala

President-Elect Maria Renée Valladares describes a situation hard to imagine—the absence of 150 school desks for children in the small community of

Miguel Petapa near Guatemala City, Guatemala. The cost per desk is \$22. You can provide the number of desks you want. Her Satellite Rotary Club of Uwara will provide the rest of the desks. Maria Renée describes a situation hard for us to imagine—in Miguel Petapa they not only have daytime school, but evening school, because during the day many children must tend younger children so both parents can work. **Let’s get these children studying at desks, not sitting on the floor.**

Attention: Important Club Management Messages

Time to Report Your Club Service Impact

The 6th annual Service Impact Report, District 5420's "great idea" originated by Past District Governor Bev Christy, will once again showcase your club's "service above self" projects and activities in RY2022-23.

Clubs from Logan to Moab, St. George to Park City and everywhere in between will then have this powerful public image tool - when we all share the online link with neighbors, friends, co-workers and others - to increase awareness, membership, foundation giving and Rotary's public image.

The deadline for submitting your club data is July 10, 2023.

If you need help measuring and reporting your club's impact, please email District Public Image Chair **Linda Sappington** or call or text to 435-669-8020.

New District Policy for Global Grants

It is the goal of the District Foundation Committee to encourage ALL clubs in the District to be involved in Global Grants. The committee is introducing a revised policy for awarding District Designated Funds (DDF) for Global Grants (GG).

Global Grant Guidelines - Effective July 1, 2023

Goal – Increasing number of clubs in our district that either apply for or actively participate in Global Grants thus educating Rotarians on International service and increasing number of International Service champions throughout District 5420.

- First Time GG Exception – A club sponsoring their first GG ever will be allocated \$2 in DDF for each \$1 in club funds up to \$10,000 in DDF allocated to their project.
- As it already is, a sponsoring club can qualify for up to \$10,000 DDF for a GG if they commit a matching amount or more towards the GG, without any other contributing clubs from District 5420.

- A sponsoring club can qualify for \$15,000 DDF for a global grant if two or more other clubs in District 5420 combined contribute at least \$4,000 and the sponsoring club actively involves at least one of the other clubs in the project.
- District 5420 will reserve \$15,000 in DDF funds for clubs who have never had an approved GG. If not allocated to club(s), the \$15,000 reserve will be released into general DDF use on April 1 of each Rotary year. Therefore, clubs who have/had an approved GG (completed or in process), cannot receive DDF for their GG if that award will reduce District DDF funds below \$15,000. Effective July 1, 2023.

Bruce Powell

Utah Rotary District Foundation Chair

End of Year To-Do List: District Grants, Foundation Donations

As the end of this wonderful Rotary year rapidly approaches, there are two things that weigh heavily on my mind.

The first is **closing out your club's District Grants**. Each club that received a grant signed a contract that they would report the results of the grant and provide receipts for the material purchased with the grant money for their project. These reports will be considered past due June 15th. Any reports received after that date will cause the whole District to lose or delay funding next year.

NEW Grant applications for the 23-24 Rotary year are due July 1 or the first day of the new Rotary year. Club Presidents, you need to have new projects ready **BEFORE** your term begins. Do not miss these dates.

Secondly, all donations to the Rotary Foundation should be sent to Rotary International as soon as possible. All donations are so appreciated. Each increases the amount our District will receive back for use for District and Global Grants.

Particularly important are the donations from our Paul Harris Society members. It is one thing to make a commitment, another thing to comply with that commitment. So far, only 42% of Paul Harris Society members have paid their commitment. Please consider sending your contribution as soon as possible. The same is true of your personal commitment to help end polio.

Bruce Powell

Utah Rotary District Foundation Chair

Rotary Leadership Institute April 4 & 5

Rotary Leadership Institute Part III (Module 3) training will be on April 4 & 5th, from 6:30-9:30 pm. All Rotarians who have completed Part II (Module 2) training have already been notified.

We wanted to let Rotarians in the District know that we will continue with the RLI training. Part I and Part II training is being planned. More information will be forthcoming.

Utah Rotary Peace Fellow Speaks on Peace

Organized by Murray Rotary, attended by DG Jose Velasco, 59 Rotarians from Murray, Sugarhouse, Millcreek, Holladay, Midvalley, Sandy, West Jordan, Valley West, Park City Sunrise, and the E-Club met in Murray to listen to Chris Pieper, recently graduated Rotary Peace Scholar.

Chris took a sabbatical from being an attorney in the Utah Attorney General's office and spent 15 months studying at the Bradford England Rotary Peace Program. Chris, who speaks fluent Russian and conversational Turkish, and has studied Kazakh, Arabic, and Tajik, took his wife and five children with him.

"Peace studies are a lens to view the issues that affect mankind," Chris said. "Allowing people to have a voice is a fundamental building block of peace. Rotary helps create many highly motivated individuals who work with goodwill actors all over the world."

Rotary Peace Fellowship Applications are Still Open

The Rotary Peace Fellowship is designed for leaders with work experience in peace and development. The Rotary Foundation awards yearly up to 50 fellowships for master's degrees and up to 40 for certificate studies at seven premier universities, from Japan to Uganda. There is a lengthy application process including an interview with the District Peace Committee so candidates must start soon. Go to rotary.org for information about the program and email **Kris Swanson**, District Peace Chair if you or someone you know have interest.

News from Around the District

Park City Sunrise Uses Radio Spots to Boost Membership *and* Public Image

Last year Park City Sunrise Rotarians helped Park City's nonprofit radio station raise money during their pledge drive and KPCW donated free 30-second spots to the club.

Sunrise's membership campaign ran from Feb. 20 to March 3rd with three rotating spots describing what the club is all about -- service, friendship, and fun. The call to action – Come join us for breakfast! The website supported the campaign along with the club's Facebook page.

Four visitors have enjoyed breakfast and speakers since then, and one of them has already applied to join the 83 member club.

Hurricane's Easter Car Show Is April 8th

The **Hurricane Valley Rotary** Easter Car Show is on Saturday, April 8 in downtown Hurricane. The amazing event starts at 9 am and concludes with an awards ceremony at 4 pm. There will be more food vendors than ever, and the number of entries might break a record!

The Easter Car Show is the Club's primary fundraiser for the year to support its many service projects and donations. Proceeds this year will be used to fund the completion of an All-Abilities Playground at a local park.

To register a vehicle or for more information, [click here](#).

If you cannot attend but still want to help the playground, visit <https://hurricanevalleyrotary.org/>. With your help, we can open the playground in May.

Golf Tournament to Banish the Snowy Blues on May 17th

Rotary Club of Lehi is hosting it's annual Golf Tournament on May 17th, at TalonsCover Golf Course in Saratoga Springs. It is the club's major fundraiser of the year. Please email **Glade Hamilton** if you are interested in participating.

Walk or Ride with Midvalley Rotary

The **Midvalley Rotary Club** is supporting the **Ride the Brainwave** walk and ride on behalf of children and families in need May 19 to 20 in Sandy. UT.

This event gives local families a chance to raise money for medical and other bills that are associated with their children. You can sign up to volunteer with Midvalley Rotarians [here](#).

UVU Rotaract Hosts Session on UN Commission on Status of Women

“Rotary International (RI) has been made of people who take action to create lasting change, both in themselves, their community and globally,” said Stephanie Velasco, the incoming General Secretary for Big West Rotaract, during the 67th session of the United Nations Commission on the Status of Women.

This March 6th event, sponsored by the non-governmental organization registered under the UN, Russian Academy of Natural Science, and an event sponsored by the Permanent Mission of Kyrgyzstan to the United Nations on March 8th, 2023, were co-hosted by 28 Rotaractors, led by its President Tristin Juarez-Smith and Alitha Thompson, including students from Utah Valley University, Kyrgyzstan, China, India, South Sudan, and Uganda.

They advocated for mountain women through the Student-Engaged Learning (SEL) model. SEL empowers all learners to work as a group to solve real-world problems with faculty as mentors. Rotaractors managed all logistics, research, and presented how the SEL model empowers mountain women and girls.

Velasco highlighted the impact Rotary International Friendship Exchanges, specifically Utah Rotary District and Northern Mexico Rotary District 4100 exchanges, have provided to their respective communities. Rotaractors

emphasized the contributions of women and girls worldwide, including in the State of Utah, one of the best models of sustainable mountain development. In addition, they reported on numerous community service projects in partnership with Orem-Lindon Rotarians. Rotaractors hope RI will sponsor future UN events.

Don't Miss Any of This News

RYLA Moves Location and Dates

Rotary Youth Leadership Academy (RYLA) is a much anticipated event when high school students gather for an immersive four-day leadership experience.

In order to reach a broader spectrum of leaders in our district's high schools, two changes have been made:

- RYLA has been moved to Wasatch Academy in Mount Pleasant, UT, located in the center of the state to equalize the commute for all district clubs.
- RYLA will be held in June when the students are out of school but the date will be **June 10-13, 2024**. *Why 2024?* If the event was held in fall 2023 there would put two RYLAs in one school year.

Until then, New Generations Directors -- Work with your Faculty Advisors to keep looking for fantastic students in the 9th, 10th and 11th grades and let them know to save the date next year!

For more information email Asst. District Governor **Sydney King** 801-232-8476

Rotary International Establishes Two New Funds for Ukraine & Pakistan

Having seen how generously Rotary members donated to both causes in 2022 through the Disaster Response Fund, Rotary Foundation Trustees voted in January to create two new

targeted funds and continue offering lifesaving aid to people in Ukraine and Pakistan. For more information and to contribute, visit my.rotary.org/donate.

Join the Polio Plus Society

According to RI President-elect R. Gordon McInally, "Only about 1 in every 12 Rotarians worldwide – and fewer than 1 in 5 clubs – are donating each year to RI's polio eradication efforts." But you can change those statistics when you join the Polio Plus Society, an easy and affordable way to support RI's most important "service above self" project ... the final and forever eradication of polio from the earth.

To sign up TODAY, see your club Foundation Chair or email Rachael Palmer at rachaelpalmer73@gmail.com.

How to Have Fun in the Land Down Under

During the week of May 25-31, 2023, Melbourne, Australia will see Rotarians from around the world on the spectacular Victoria golf course; "Imagining the glamour at the Race that Stops a Nation;" and exploring the streets of Melbourne.

This is just a short list of exciting events, activities and Rotary learning experiences being planned for attendees

at the 114th RI Convention. These exhilarating four days in the "land down under" are now only **TWO** months away but there's still time to register [here](#).

Join Rotarians from your club, District 5420 and from other continents and together we'll "IMAGINE what's next" for Rotary!

Cache Valley Morning Rotary has provided financial support for humanitarian projects in Cambodia over the past several years. In addition to providing uniforms and school supplies to children of a local orphanage, our club has sponsored numerous sanitation projects in remote villages. Our club recently encouraged several members to travel to Cambodia and physically participate in the projects while at the same time delivering donated items that were provided by members for the impoverished children of the villages. Club member Trace Skeen is deeply involved in Cambodia projects and led the delegation which focused on each of Rotary's six original areas of focus. The site team reported back to the club as they commented on the "life

In January and February, 15 members of the **Salt Lake Rotary Club** with 35 other Rotarians and friends from clubs around the world journeyed into the heart of Cambodia. We witnessed the impact of an ongoing club sponsored Global Grant impacting over 2,800 people in four villages. Our work is organized by Sustainable Cambodia (a Rotary based NGO) led by a volunteer Board of Directors made up of Rotarians from numerous international clubs. Sustainable Cambodia works with families of rural Cambodian villages to help them achieve sustainability and self-sufficiency through wells, irrigation systems, schools, training and empowerment. This 10-day excursion was truly unique - we experienced in depth the country's history and culture. The most meaningful experiences were serving with the native people in their villages and

changing experience,” and were already planning for a return trip next year.

communities. The SL club goes to Cambodia annually to witness the progress of our Global Grants. We have been actively involved in Cambodia for over 15 years. We invite other clubs from our district to participate in our Global Grants and be part of our annual adventures.

The **Bountiful Rotary Club** loved doing service at the "Days for Girls" Warehouse. We assembled close to 200 menstrual health hybrid kits to be distributed to several of the Teen Centers at High Schools in Davis County. We feel it was a great turnout and appreciate every Rotarian who came and helped. Thank you to our wonderful Nicole Redd for this information and all her help with "Days for Girls".

In March the **Cedar City Rotary Club** held a banquet to award Paul Harris Fellows as a way for their sponsors to honor members of our community who have done so much in service. Twenty people were awarded Paul Harris Fellow awards by their sponsors. In addition, the club continued the Mobile Food Pantry project at Fiddlers Elementary School. In the last five deliveries the club has delivered 6,610 pounds of food to 750 households, serving 3,996 people with 2,433 of those people under 18 years of age.

We're excited to share some great news from the **Centerville-Farmington Rotary Club** and the Centerville Police Department. On January 28th, we organized a bike collection event with the goal of "Donate a Bike – Improve a Life." The event was a massive success with 76 bikes collected from the community. All donated bikes were provided to the Bicycle Collective, where professional bike mechanics refurbished them to be distributed at no or low cost. This event helps those in need to receive a bike and improve their mobility and quality of life. We believe that such initiatives embody the spirit of Rotary, and we hope this inspires you to organize similar events in your communities. Let's continue to make a positive difference in the lives of those around us.

The **Washington City Rotary Club** enjoyed a presentation about the Short Creek Dream Center which intends to live up to its promise to "Find a Need and Fill it, Find a Hurt and Heal it." Co-Executive Director Luke Merideth told Rotarians that the Center has served the twin towns of Hildale and Colorado City since 2016 with transitional housing, recovery services, community outreach and help to combat the effects of poverty. "We are supportive of anyone who is on a healing journey," Luke said, "and staff is passionate about being a place of refuge for anyone leaving or escaping environments that are considered abusive or oppressive." Luke added that the mansion that was meant for evil under FLDS cult leader Warren Jeffs has become a critical recovery resource for the community.

Park City Sunrise Rotarians prepared a big meal for J1 ski resort employees at the Park City Christian Center on January 31st. Twenty-one young people from countries around the world joined Rotarians for a BBQ chicken dinner. The J-1 visa is provided for participants in approved programs like teaching, instructing or studying. The attendees teach skiing at Vail and Deer Valley and serve in other capacities. The evening included lessons with a Park City DJ in how to run a professional DJ mixing board—the party ended with lots of tunes. J1 youth were provided with takeout containers so they could enjoy leftovers. Donations went to the Christian Center Food Pantry as well.

In March, the **St. George Rotary Club** sold and delivered 230 cases of California navel oranges, including 40 sold by SGR’s-sponsored Scout troops to cover much of the cost for their summer activities. (PDG Linda Sappington caught a quick nap during the project.) Through this 6th annual fundraiser, the club banked \$5000+ for projects in the local community and in Guatemala where Rotarians and friends of Rotary have traveled 15 times and built 3000+ cinderblock stoves in Mayan villages. We also inducted two new members and welcomed home a member who has been in Germany for 18 months ... and our President-elect Bryan Thiriot from Denver PETS.

March Submission

St. George Sunrise Rotary Club has responded to the powerful earthquakes in Turkey and northern Syria by donating two ShelterBoxes. Thousands of buildings have collapsed leaving

April Submission

St. George Sunrise and Veterans Rotary Clubs like to have a barrel of fun at the Fair. April 14-22 Washington County State Fair will be held in Hurricane, UT.

people homeless in the middle of a bitter winter. Most ShelterBoxes include family-size tents, though the contents differ depending on the disaster and climate. Many are packed with solar lights, water storage and purification equipment, thermal blankets, and cooking utensils. Depending on need, the organization may deliver ShelterKits, smaller aid packages that include tools, ropes, and heavy tarpaulins. Our St. George Sunrise Club challenges other clubs to help as well.

St. George Sunrise Rotary Club has participated as part of fundraising efforts in parking, ticket sales and beer sales. This year our club wanted a real booth for the Beer Garden.

The structure came together under the guidance of master craftsman (and hubby to Melinda Thomas) Jim Thomas along with President Elect Mike Branum and President of the Veteran's Satellite Club Doug Walker.

Brilliant use of wooden pallets and great job gentlemen!!

Once again, the **Ogden Rotary Club** had the awesome privilege of delivering over 3,000 dictionaries to 3rd graders in the Ogden and Weber School Districts. As always, the children were excited to receive the dictionaries, but the people who benefited the most from the service project were the members of our club who participated in the delivery! This is by far the most rewarding service project we do all year. The kids were excited as always to receive a book of their very own and

Moab Rotary Club and the Moab Free Health Clinic have been partners now for several years. This means we support them financially and also by volunteering when the MFHC has specific clinics to service that part of the Moab population which does not have adequate health insurance. Last month there was a Vision Clinic and over three days 86 people (including more than 20 kids) had their eyes checked and a majority were given free

consider it a great gift! We have heard from many past recipients that the dictionary accompanied the student throughout the rest of their academic career.

prescription glasses. On the photo we have Rotarians, MFHC staff and Hope Alliance staff from Park City, at the grand opening and ribbon cutting of the new and expanded facilities for the MFHC on 200 south downtown Moab.

On April 20th the **Richfield Rotary Club** will celebrate its 75th Anniversary with a dinner and other activities. The Spring Expo was held March 17th at the Sevier Valley Center in Richfield. Our Rotary club had a booth to help recruit new members with some games and prizes.

There were nearly 100 booths and games from area businesses, agencies & other sponsors. There was great attendance for the first year the event was held.

The Utah Rotary Native American Scholarship's endowment at Snow College has now reached \$60,000. The

The **Utah E-Club** donated 75 Tree House books in February to an Elementary School in West Valley with a goal to complete a book report for a Donuts and Dance Party. 58 students completed the challenge. In March we had a Donuts and Dance Party. 8 students turned in multiple book reports for an extra surprise from Rotarian Patzy. We all had a fun and energetic time encouraging the students to read, dancing,

interest from the endowment and new donations provide scholarships each year. For the 2022-23 college year we had nine applicants and four scholarships were awarded.

Because the recipients received other scholarships and grants in aide each was awarded \$500 for each semester.

while reminding the students Reading is Power.

The Vision of Rotary

The famed anthropologist, Margaret Mead, said, "Never doubt that a small group of thoughtful, committed individuals can change the world. In fact, it's the only thing that ever has."

When members of the **West Jordan Rotary Club** met at Nuerworx in Sandy, a nonprofit outpatient facility providing innovative therapy for adults and children affected by paralysis from spinal cord injuries, the world changed for a group of children.

These children with severe physical disabilities but exceptional cognitive functions were unable to play on their school playground in the Jordan School District due to accessibility issues.

Dr. Dale Hull, a South Jordan Rotarian and founder of Nuerworx, himself partially paralyzed from a spinal cord injury, invited the West Jordan Club to hear from a small band of parents and their beautiful, intelligent children who wanted nothing more than to experience the joy of playing during recess.

The cost of retrofitting the playground was \$10,000. The school district had prioritized the project low because of the number of children to benefit. Parents had worked for months but raised only \$2,000.

Thus entered the West Jordan Rotary Club, under the leadership of President Diana Brown. After a brief presentation by mothers and their children, Rotarian Stu Richardson stepped to the dais and said, "Let's get this money raised now!"

In a matter of minutes, a member shouted, "I'll contribute \$1000." Another offered \$500, then others weighed in. Many members, including the club's Assistant District Governor bid silently - "Put me down for this amount." Caught

up in the moment, a person who was investigating joining the club whispered, "I'm in for \$1000."

The amount went quickly from \$8,000 to a balance of only \$1,500. Then another West Jordan Rotarian, Pete Cardon, said, "I make a motion that the club covers the rest of the funds needed." The motion passed unanimously. The balance was \$0.

After the meeting, a club member sent an email: "Today was the first time I really saw the vision of Rotary. It was a beautiful thing."

Yes, the vision of Rotary and its influence in the world for good is magnificent. And the benefactors on this day were a group of disabled children who wanted to experience the joys all other children take for granted -- school recess.
