

**Aidana Akibaeva**

Aidana Akibaeva is an ambitious and goal-driven student at the American University of Central Asia, pursuing a degree in Business Administration. Originally from the picturesque Issyk-Kul region of the Kyrgyz Republic, she combines a strong academic background with practical experience as an assistant to the CEO of LLC English Zone. As a senior, Aidana is actively engaged in data analysis for her thesis, demonstrating strategic thinking, an analytical mindset, and an entrepreneurial spirit. Her ultimate goal is to create multiple businesses that not only solve people's problems but also ensure that her family and she can achieve everything they desire. With a clear vision for success, she is determined to become a millionaire by the age of 30.
