

**Dr. Almaz Karimovich Atabekov**

Dr. Almaz Karimovich Atabekov is a young but growing economist and scientist with extensive experience in business management and economic development strategy. A graduate of Osh Technological University (OshTU) with honors in 1998, Master's program of the International Academy of Educational Network, Dr. Atabekov worked as a teacher, senior lecturer, and then acting head of the department of business and management.

His dedication to education and research led him to pursue graduate studies at OshTU and the Academy of Management under the President of the Kyrgyz Republic, culminating in receiving a PhD in Economics in 2007.

In the period from 2005 to 2008, he made a significant contribution to the work of the Academy of Management under the President of the Kyrgyz Republic, working as a chief specialist, director of the center for advanced training of state and municipal employees.

Dr. Atabekov expanded his international experience through participation in international projects. Under the ERASMUS exchange program for young scientists, he interned for 1 year at the Anatolian University of Turkey (2008-2009), coordinated three-year European projects Tempus-UNIWORK, Erasmus + MIND, "Dual education in Germany". Dr. Atabekov also applied his experience as an expert on the development strategy of the city of Osh.

In 2022, he successfully defended his doctoral dissertation on economic theory on the topic "Increasing the role of investment in the economic development of Kyrgyzstan." In his work were achieved valuable scientifically based recommendations for the government of the Kyrgyz Republic. Currently, he is one of the leaders of economic science in the south Kyrgyzstan.
