## **Governor's Message**

Four months into this journey, I find myself reflecting with tears of gratitude. I've had the privilege of visiting 33 of our 45 clubs, and each stop along the way has left an imprint on my heart.

I've seen Rotarians serving meals to those who need comfort. I've heard laughter echo through club meetings where friendship feels like family. I've watched hands join to lift burdens, dreams, and each other. Everywhere I go, I see the quiet, steady heartbeat of Rotary — the kind of goodness that doesn't make headlines but changes lives all the same.

There's a sacredness in these visits — in the hugs, the stories, and the moments that remind me why we do what we do. It's not about recognition or titles. It's about connection, compassion, and the unshakable belief that when we come together, we make the world a kinder place.

As we look ahead, I'm filled with hope. On December 1st, we'll stand shoulder to shoulder across the district for our District Day of Service — one day, one heartbeat, thousands of acts of love. I can only imagine the light we'll bring when every club in District 5420 pours its

heart into serving others, together. Look for an email in the near future for details about this project.

And as we plan for the future, please remember that nominations for our District Governor Elect Nominee-Designee are due by November 14th. Club Presidents have the nomination protocol and should send completed nominations to me. Somewhere among us is the next leader who will continue this beautiful legacy of service and love.

Thank you for welcoming me into your clubs, your communities, and your hearts. I've witnessed the soul of Rotary — not in the banners or the meetings, but in the way you show up for each other and for those who need us most. You are the reason hope still grows in this world.

Let's keep shining that light. Let's keep serving with heart. Let's continue to unite for good.

Keep on rapping with the Rotary Founders

By now, most Utah Rotary clubs have enjoyed District Governor Suzanne Leonelli's inspiring visit. And she's brought the Paul Harris Rotary Rap video to the hearts, minds, and funny bones of so many Utah Rotarians.

My club is still talking about this unexpected treasure trove of fun. **Park City Sunrise Rotary** now uses the [\*\*Rotary Rap\*\*](#) video to orient new members to the great work Rotary

International does; to recruit new members with our outreach programming; and to get another dose of lightheartedness.

Here's the [link](#) to the Paul Harris Rotary Rap, so you can "sing" along with Rotary's founders and brighten your day. It's bound to make rappers of us all!

## Utah Rotary's flame burns bright in Russia

## Little known facts

Rotary is the only western Non-Government Organization (NGO) left in Russia.

The **Russian Rotary District Magazine** highlighted Utah Rotary in a recent issue. (They only publish two issues a year.)

The USA-Russia Inter Country Committee consists of Rotarians in the USA and Russia who keep the Rotary flame burning brightly in Russia during times of conflict.

IPDG Aleksei, the magazine's editor, is a personal friend of our District Foundation Chair Egor Shulman!

#### Rotary International Peace Fellowships

Each year, Rotary International awards up to 130 fully-funded fellowships for dedicated leaders from around the world to study at one of Rotary's peace centers.

Through academic training, practice, and global networking opportunities, the Rotary Peace Centers program develops the capacity of professionals to become effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and internship and field-study expenses.

Applications open in just a few short months, so it's time to start recruiting interested individuals.

More information may be found [here](#) or by contacting Kris Swanson, District Peace Chair. All applicants from our District will work with Kris and a District Committee to complete their application. Successful candidates start early!

1,424 Global Grants

468 District Grants

74 Disaster Response Grants

Dear Utah Rotarians,

Thank you for your dedication and support on behalf of The Rotary Foundation. As Rotarians, you play an essential role in ensuring that The Rotary Foundation programs can continue to create positive and lasting change in your community and around the globe. **Last year, thanks to generous donors, the Rotary Foundation funded 1,424 global**

**grants, 468 district grants, and 74 disaster response grants to help communities in need.**

One way we can help Rotary continue to do good in the world is by encouraging you to [enroll in Rotary Direct](#), our Foundation's recurring giving program.

Why Rotary Direct?

Rotary Direct is one of the easiest and most secure ways for our donors to support the Foundation. Because contributions are automated, you don't need to worry about sending checks or remembering to make an annual contribution on time.

Rotary Direct saves time and reduces administrative costs. Monthly, quarterly, and annual gift options are available. You can enroll at the [Rotary Direct page](#), return a completed [Rotary Direct enrollment form](#), or enroll by calling +1-866-976-8279.

For more information, you can refer to these [frequently asked questions](#). If you have additional questions, send me an email or write to our [Donor Engagement staff](#).

Thank you for your dedication to Doing Good in the World and remember that this year our goal is to have ALL Utah Rotarians contribute at least \$100.

### Celebrating Great Humanitarians in our District

Gene Banks & Mike Deputy

Every Rotarian in every club in our District is a special person who cares about bettering the world, both locally and internationally. Every club has a few Rotarians who have done this for a very long time – contributing their work and their treasure to their club and to The Rotary Foundation.

I had the privilege of celebrating two such Rotarians at the **Salt Lake City Rotary Club** bi-annual fundraiser on Friday, October 17. The two Rotarians honored are very well known in our district – Past District Governor Gene Banks and Mr. Mike Deputy.

Both are great humanitarians -- always having a smile on their faces, willing to help anybody in need, and very generous with the club foundation and The Rotary Foundation, attaining Arch Klumph Society status (lifetime contributions over \$250,000).

Past District Governor Gene Banks, originally from Hawaii, joined the Salt Lake City Rotary Club in 1990, and served in various capacities including President and District Governor (2006-2007), and chair of the Rotary International Conference in Salt Lake City. Professionally, Gene spent most of his career with Merrill Lynch.

Mr. Mike Deputy, joined the Salt Lake City Rotary Club in 1991 and served in many roles including President. Mike founded a family business, grew it by practicing the Four Way Test, and built a reputation for integrity in the western United States.

Congratulations to Gene and Mike!

## **Our Rotary Foundation**

Doing Good in the World

November is Rotary Foundation month. I like to think that for many, if not most Rotarians in our District, **The Rotary Foundation (TRF)** is near the top of our list of favorite charities to which we contribute our money, and for some, lots of volunteer time. Again, I like to think that for many Rotarians, if not most, contributions to **The Rotary Foundation** follow only contributions and commitments to our non-profit or faith organizations.

There are many reasons Rotarians become believers in and supporters of TRF and its many programs ...but it all boils down to **Doing Good in the World**. That's what we do, and, with our contributions, however large or small, it's what we continue to do year after year.

In the words of Rotary International President Francesco Arezzo, "This November, let us give with gratitude, with joy, and with hope. Through our Foundation, we ***Unite for Good***."

A **Shout Out** to clubs leading the district in **annual fund per capita giving** through October -- **Orem-Lindon** at \$297; **West Jordan** at \$227; **Sugarhouse** at \$210; **Bountiful** at \$198.

Thanks again to all Rotarians who contribute to our Rotary Foundation and for **Doing Good in the World**.

#### Rotary Youth News

Find out about Rotary Youth Exchange at informational meetings this November

Student applications are due December 15

The **Rotary Youth Exchange** program is the largest and least expensive exchange program in the world. With over 9,000 students annually going on exchanges, our Youth Exchange program provides young students with the opportunity to live with people from other countries. They experience new cultures and plant seeds for a lifetime of international understanding.

To youth - Learn firsthand about all aspects of life in another country. As your concept of the world expands, you mature and develop a deeper understanding of who you are. Immersion in another country's educational system enhances academic and personal growth.

To host clubs - Families and the entire community are enriched by extended, friendly contact with a young person from a different culture.

## Upcoming Events Around the District

### Motivating District Leadership -

An interactive seminar for potential district leaders

**The next session will be Saturday, November 15<sup>th</sup> in St. George.**

This October, Rotarians took time to explore District Rotary Leadership:

- Learning about the rewards of becoming part of the future leadership in Rotary.
- Focusing on their own personal reasons for becoming part of the leadership.
- Opening their vision to avenues and responsibilities for leadership positions that Rotary offers from President and District Governor to Club President and more.

### Comments from the attendees

“Becoming a leader is to guide the members of club, area or district to understand the importance of the Rotary Foundation and the projects we work with.”

“With ability and compassion there are needs that can be filled. Reach out and touch the lives of others.”

“Whether want to be Governor, club or district leader, the information and concepts presented will help provide a foundation for future leadership positions and a broader vision of possibilities that can come to any Rotarians.”

“The best potential I see is to be able to excite and engage others who want the opportunity to be in Leadership, our district can do more lessons. Thank you to those that came before us.”

**The next session will be held Saturday, November 15 in St. George. To join your colleagues in this leadership seminar, contact Jose Velasco [josevelasco5420@gmail.com](mailto:josevelasco5420@gmail.com)**

Facilitators - Past District Governor Michael and Karlene Well

#### Rotary Servant Leadership

The District is excited to offer a new leadership training course built on leadership principles useful in both Rotary and the rest of our leadership world - work, community, church, and family.

**Rotary Servant Leadership** received good feedback from an initial class held last spring. Our upcoming class will be targeted to Presidents, President-Elects and other club leaders.

This five-session program - about 90 minutes per class - will be **live on-line**, so we believe every club in the district can participate.

**Club leaders, look for your invitation arriving soon!**

Let's Talk Peace this month.

The way we communicate with ourselves and others determines the inner peace we experience. And we cannot create peace in our world until we strive to make our own lives peaceful.

Kris Swanson, District Peace Chair, has created a follow-up session to the ***Create Your Piece of Peace*** presentation offered to clubs last year.

Invite Kris to speak at your club. Both ***Let's Talk Peace*** and ***Create Your Piece of Peace*** are available!

Email [Kris@kristinaswanson.com](mailto:Kris@kristinaswanson.com) to schedule your club presentation today.

*Wrapping with Love* is November 14 this year

The **Hispano Latino Rotary Club** is organizing its annual event “Wrapping with Love” on Friday, November 14, dedicated to the distribution of jackets and coats for those in need. This heartfelt effort is made possible with the valued collaboration of the **Layton Rotary Club**.

# THANKSGIVING

## Week in Guatemala

IMMERSE YOURSELF IN AN UNFORGETTABLE THANKSGIVING JOURNEY...

**Adventure**

Join Andie and the surrounding crew as we are prepared for the week. Some of the possible activities include a visit to a sun of the lake, walking through a native forest with ancestral bridges, and naturally, climbing through a jungle canopy, and jumping and swimming in lake Atitlán.

**Culture**

You will immerse ourselves in a different way of life and culture - through their language, food, music, and unique perspectives. This experience will encourage us to step outside our comfort zones, broaden our horizons, and embrace new ideas that fuel personal growth and open-mindedness.

**Connection**

Janice redefined. This service-learning trip focuses on education and connection. We hope participants go home with goals, dreams, new habits, and the desire to do more and be more in life.
