

**H.E. Dr. Muktar Djumaliev, Ambassador of the Kyrgyz Republic to the USA**

# THE MOUNTAIN AGENDA OF THE KYRGYZ REPUBLIC

# Essence and Strategic Importance

- Over 94 % of Kyrgyzstan's territory is covered by mountains.
- The Mountain Agenda is Kyrgyzstan's framework for promoting sustainable mountain development at both national and global levels.

# Essence and Strategic Importance

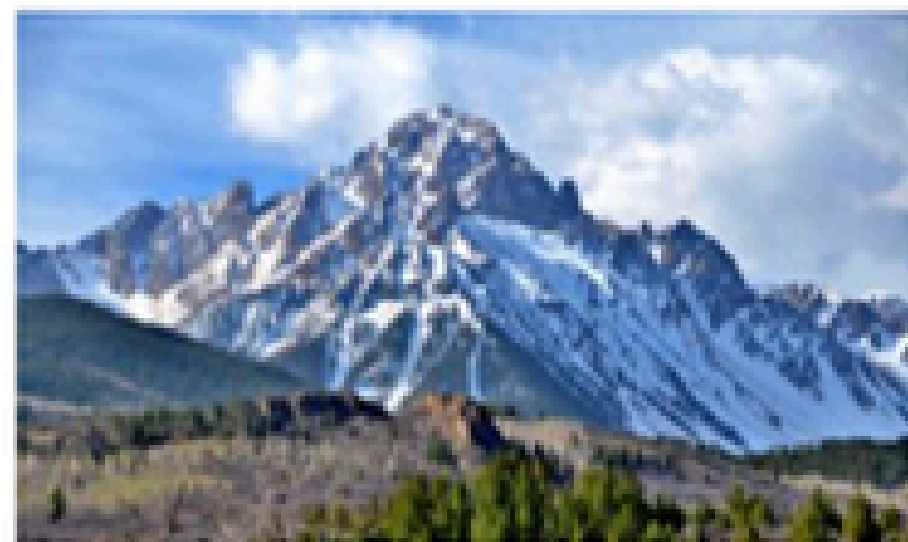

It aims to:

- Protect fragile mountain ecosystems;
- Improve livelihoods and resilience of mountain communities;
- Secure global recognition for mountain countries' special needs.

# Charting The Vision

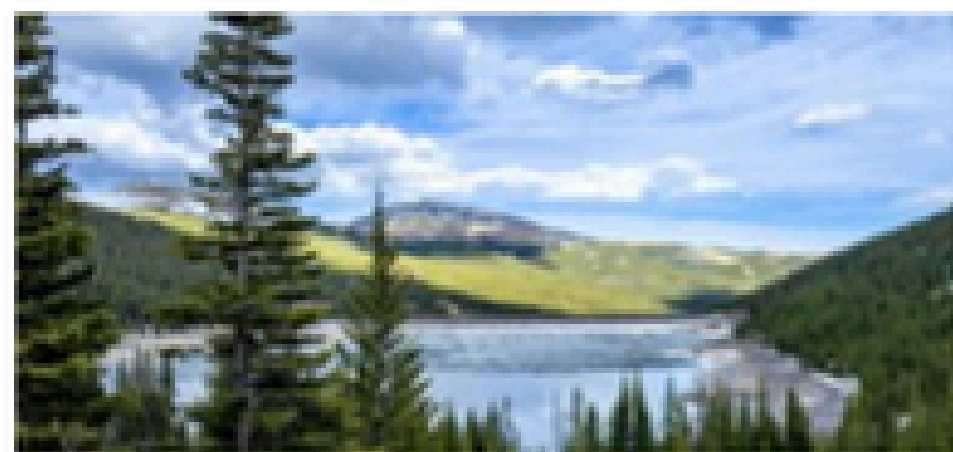

## 1.Environment & Climate

Climate adaptation, glacier preservation, sustainable water management, green technologies.

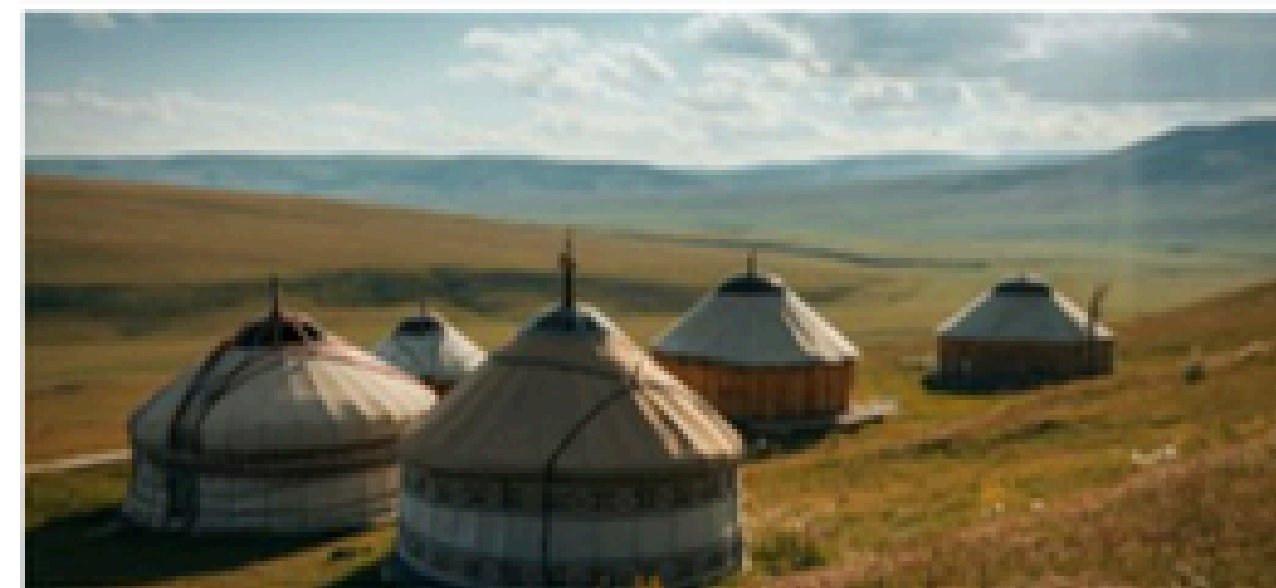

## 02. Economy & Trade

Support for mountain agriculture, organic farming, green value chains, and ecotourism.

## 03. Social Development

Strengthening infrastructure, education, healthcare, and gender-responsive employment.

## 04. Culture & Heritage

Preservation of traditional mountain lifestyles, crafts, and cultural landscapes.

## 05. Regional Cooperation

Advancing regional initiatives such as the Central Asian Mountain Charter and global partnerships (Mountain Partnership, UNEP, UNDP, FAO).

# International Dimension

**2002**

**Kyrgyzstan initiated the UN proclamation of the International Year of Mountains**

**2022**

**Spearheaded the UN resolution on the International Year of Sustainable Mountain Development**

**2023–  
2027**

**National leadership of the Five Years of Action for the Development of Mountain Regions**

**2023–  
2027**

**Five Years of Action  
for the Development of  
Mountain Regions**

**2027**

**Kyrgyzstan will host the Third Global Mountain Summit (Bishkek Summit).**

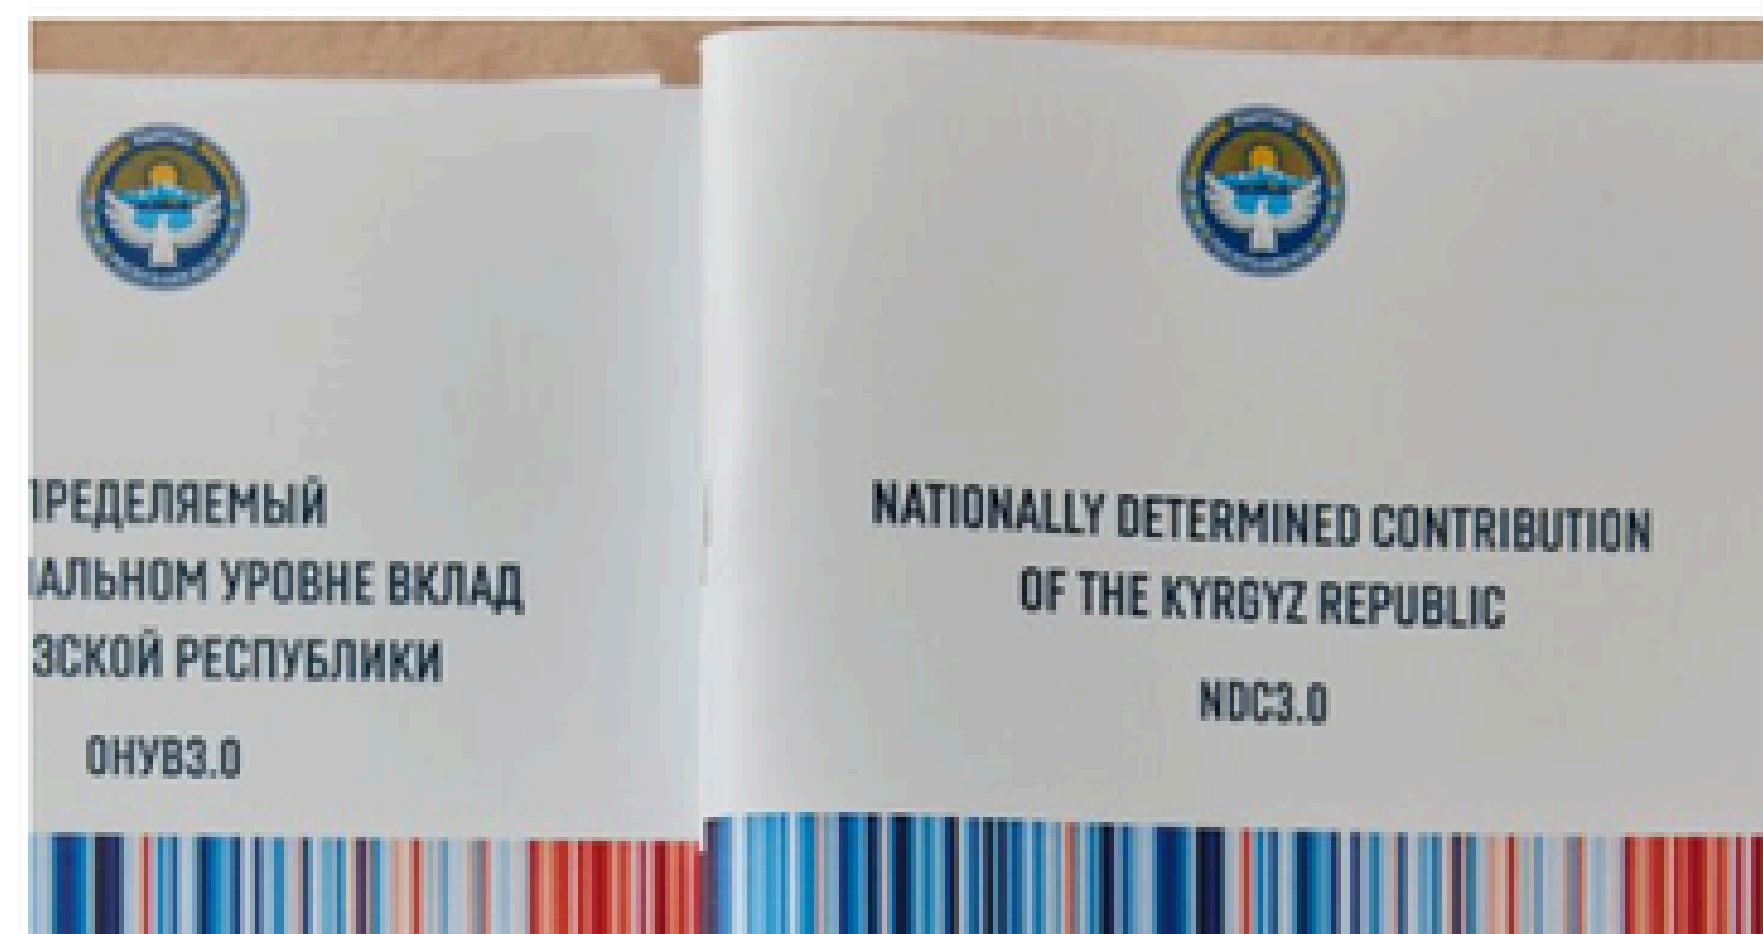

# Integration with National and Regional Strategies

## Embedded in Kyrgyzstan's sustainable and climate policy frameworks:

- Nationally Determined Contribution (NDC 3.0) and the UNDP Climate Promise;
- Green Transition and Green Corridors Strategy;
- CAREC and B5+1 regional cooperation platforms;
- UN Sustainable Development Goals (SDGs) - particularly SDG 13 (Climate Action), SDG 15 (Life on Land), and SDG 6 (Clean Water and Sanitation).

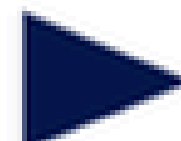

### Lead Agency

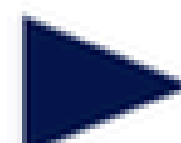

Ministry of Natural Resources, Ecology  
and Technical Supervision (MNRETS).

### Key Partners

UNDP, FAO, UNEP, UNESCO, Mountain  
Partnership, GIZ, and the Swiss Development  
Cooperation (SDC).

### National Initiatives:

Five Years of Action for the Development of  
Mountain Regions (2023 – 2027)

# Institutional and Partnership Framework

2023  
2027

Five Years of Action  
for the Development of  
Mountain Regions
