OVERVIEW

Women’s income has traditionally lagged even in terms of financial opportunity and education.

HOW DOES UTAH STACK UP?

Many financial situations during childhood show gender inequity.

Utah women are distinct in terms of pay and employment patterns.

US women have traditionally lagged men in terms of financial opportunity and education.

WHAT CAN WE DO?

Raise awareness of gender gaps in pay, debt, and wealth.

Advocate for efforts to elevate women’s earning potential.

Help senior women gain financial independence.

Help girls and boys develop financial literacy.

Senior women face a “gender investment gap” and other financial challenges.

LOW PAY, DEBT, AND OTHER MONEY CHALLENGES CAN LEAVE WOMEN BEHIND.

Senior women face a “gender investment gap” and other financial challenges.

We all share the responsibility to enhance women’s lifelong financial wellbeing.

Senior women face a “gender investment gap” and other financial challenges.
