Colleagues,

The [Utah Women & Leadership Project](#) (UWLP) has a number of announcements for November (yes, I realize I am a day early):

**First**, we are pleased to announce the release of three *new* resources:

- RESEARCH SNAPSHOT: "[Substance Use Disorders Among Utah Women](#)"
- PODCAST: "Voting and Civic Engagement Among Utah Women" [[iTunes](#) or the [UWLP blog](#)]
- INFOGRAPHIC: "[Voting and Civic Engagement Among Utah Women](#)" (based on this [2016 snapshot](#))

**Second**, one last mention of our community event tomorrow evening at UVU with President Astrid S. Tuminez (UVU's new president). Come and meet her for our "[Unlocking Your Potential: Strengths, Communication, & Networking](#)" evening, and then join one of three workshops (see more details on [the flyer](#) and [RSVP online now](#)). Also, you can live stream by checking our homepage ([www.utwomen.org](http://www.utwomen.org)) for the link on Thursday.

**Third**, our partners are hosting some wonderful events this month as well:

- Nov. 8, 2018 (5:30-7:30 PM), [Real Women Run Fall Social](#), Log Haven Restaurant, SLC
- Nov. 8, 2018 (9:35-10:20 AM), [Utah Global Forum's](#) University Presidents Panel (5 Utah women university/college presidents), Utah Global Forum, [Register here](#) for the full conference
- Nov. 16, 2018 (8:00 AM-3:00 PM), [Women & Business Conference 2018](#), Women's Business Center of Utah, [Register here](#).

**Fourth**, my new LinkedIn article is titled, "[How Women Integrate Feminine and Masculine Styles of Leadership to be Successful](#)." See all my recent LinkedIn articles [here](#). We also want to highlight a few videos from our March 2018 community event: [Promoting Literacy in the Home and Community: We All Have a Part](#) and [Poverty & Homelessness in Utah](#). Also, remember that we have a [webpage](#) that links to local and state government boards, commissions, and committees. In addition, I serve on the board of Envision Utah and they have a fabulous new video focused on helping people understand how we can improve education in the state. It is titled [It's My Education and It's Our Future](#). What a great reminder that the quality of education kids receive in our community doesn't just affect them, it affects all of us.

Enjoy November!

Susan
