Advance payment provides funds at the beginning of a school term to help the student meet expenses concentrated at the beginning of the term. An advanced payment is the 1st two months of your GI Bill® benefits. The first month may be a partial month, with payment pro-rated for the number of days attended that month. Since the VA normally pays after a month is completed, the students wouldn't receive another check until the beginning of the 4th month. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA).

To be eligible to receive Advance Payment, I must:

- be admitted to UVU and living in the **local** area.
- be registered for **at least 6 credits** in classes that apply toward my degree.
- submit the **UVU Veterans Class Schedule form** at least 30 days before the beginning of the semester.
- submit **this form** to the UVU Veterans Office at least 30 days before the beginning of the semester.
- not** have received GI Bill® Benefits/Pay during the previous semester at any college/university.

Once the Advance Payment check has been received by UVU, the UVU Veterans Office will notify me to:

- sign a release form in the UVU Veterans Office.
- take the release form to the UVU Cashiers Office to receive my check (**picture ID required**).

I understand:

- the Advance Payment check **may not** cover the full amount of tuition. I am required to pay the remaining amount before the tuition payment deadline.
- if I do not pay **all tuition and fees** by the tuition payment deadline, I will be responsible to pay a **reinstatement fee and any related late fees**.
- if I pick up my Advance Payment check then withdraw from classes, **I will owe that money back** to the Veterans Administration.
