Under this option, if you are enrolled in a UVU aviation degree program that consists of flight training you can be funded for up to the public school in-state cost of the training and receive a monthly housing allowance and books-and-supplies stipend. Benefits will be paid at your eligible rate, as determined by the VA. Tuition/fees and flight training are reported to the VA after the last add/drop deadline for each semester/block attended. Visit http://www.benefits.va.gov/gibill/flight_training.asp or the UVU Veteran Success Center for more information.

Chapter 1606, 1607, 30, 31, or 35 Benefits

☐ **I verify I am flying as a student in a UVU flight course but will not receive GI Bill flight pay through UVU.**

Under this option, only standard benefits will be paid, according to the rules for each Chapter.

Requirements for all flight students

VA Flight (60/40 Program): As an Institution of Higher Learning, UVU cannot offer the 60/40 Program. Paperwork for 60/40 benefits are processed by non-degree seeking flight schools. Flight benefits at UVU and 60/40 benefits cannot be used simultaneously.

Approved Courses: UVU only offers flight courses in fixed-wing flight. No rotary flight courses are currently offered. The approved flight courses are: AVSC 1110, 1230, 1250, 2450, and 2310. Certified Flight Instructor (CFI) courses are NOT approved at this time.

Flight School: No flight cost payments are approved if you are flying at a school other than UVU. If you change flight schools, you must submit a new UVU Veteran Flight Form.

Required Forms: All required forms must be turned in to the UVU Veterans Office to be certified with the VA. It is ***strongly recommended*** to turn in forms ***at least 4 weeks prior to the semester*** starting to avoid delays with GI Bill® payments. Check the UVU Veteran Policy & Procedure form or contact the UVU Veterans Office for required forms.

Short-term Payment Plan: You may elect to sign up for a short-term payment plan to pay your tuition and fees throughout the semester. It is important to make payments on time to be eligible to fly. If behind on payments, a "No Fly" hold could be placed on your account to prevent flying.

Grades: If you do not pass the course(s), the VA will pay for you to take the course(s) again. Months will be subtracted from the benefits even if you do not successfully complete the course. An "E" grade is considered failing at UVU. If you receive a "W" or "UW" grade, you may be required to pay funds (including flight fees) back to the VA. If you receive an Incomplete "I" grade in a flight course, you must obtain a standard letter grade in the course before receiving benefits for the next course.

Withdrawal: If you need to withdraw during the semester, inform the UVU Veterans Office **AS SOON AS POSSIBLE** *and* ***BEFORE*** you withdraw***.*** By withdrawing during the semester, a debt could occur with the VA. Let the UVU Veterans Office know if you plan on petitioning for a refund before you withdraw from courses.

I understand and agree to comply with the responsibilities as stated above.
I also understand that failure to comply will delay or cause termination of my benefits.
