PRESIDENT MATTHEW S. HOLLAND

Welcome to Utah Valley University! I commend your decision to study at a dynamic university that offers a signature engaged learning experience. By coming here prepared for a rigorous academic experience, you are on the path to reaching your educational, professional and personal goals. It is my personal commitment to you that UVU will offer a first-rate environment as you pursue scholarly discovery and personal growth.

It is an exciting time to be here. As you might know, UVU is now one of the largest public institutions in the region with more than 30,000 students. As a new student, that might seem intimidating, but I am confident that your experience here will be characterized by lasting friendships with your fellow students as well as personalized attention and mentoring from caring faculty and staff who are focused on your success.

UVU's emphasis on engaged learning is meant to provide deeper learning experiences, and I hope you will seek out these unique opportunities during your educational journey here. Whether it's mapping ancient tombs in Israel with digital technology, studying the Wasatch fault line on site, or starting a viable business in an entrepreneurial class, UVU has an engaged learning program to match your interests and course of study. Beyond engaged learning, get involved in campus events and activities, including athletics, clubs, lectures and conferences. Doing so will maximize your university experience, making it one of the most rewarding investments of your life.

Sincerely,

President Matthew S. Holland

ESL-English as a Second Lang

ESL 0100

Basic English Language Immersion

12:12:0 Fall, Spring

Prerequisite(s): Department Approval

For beginning ESL students, with little or no previous English experience. Integrates essential language tools and skills-reading, writing, listening, speaking, and vocabulary-needed to perform basic communicative tasks. Emphasizes building a learning community within the classroom. Includes lecture, discussion, collaborative class work, and outside experience with native English speakers.

ESL 010A

Basic English Reading and Writing

5:5:0 Fall, Spring

Prerequisite(s): Department Approval

For beginning ESL students, with little or no previous English experience. Teaches basic competence and fluency in reading and writing. Focuses on reading fluently with meaningful comprehension and natural vocabulary acquisition. Covers paragraph writing on topics introduced in reading, using description, narration, and biography. Includes lecture, discussion, and outside experience with native English speakers. Completers should advance to high-beginning reading and writing level.

ESL 010B

Basic English Listening and Speaking

5:5:0 Fall, Spring

Prerequisite(s): Department Approval

For beginning ESL students, with little or no previous English experience. Teaches basic survival skills in English-grammar pragmatics, accuracy, and listening, including proper pronunciation, intonation, and rhythm patterns. Includes lab, lecture, field trips, guest speakers, and outside experience with native English speakers. Completers should advance to high-beginning English level.

ESL 010C

Basic English Vocabulary

2:2:0 Fall, Spring

Prerequisite(s): Department Approval

For beginning ESL students, with little or no previous English experience. Teaches a 1500-word vocabulary necessary for survival and academic needs. Explores vocabulary in context around relevant themes. Includes communicative practice and

ESL 1240

Grammar Level II

5:5:0 Fall, Spring, Summer

Prerequisite(s): Department Approval

For students whose native language is other than English. Studies low-intermediate English usage, correct speech and writing forms and patterns, verb tenses and their related structures, and use of nouns, pronouns, adverbs, sentence connectives, conditionals, and related forms. Introduces modal auxiliaries, conditional sentence usage, phrases, and adjective clauses.

ESL 1310

Listening/Speaking Level III

5:5:0 Fall, Spring, Summer

Prerequisite(s): Department Approval

For students whose native language is other than English. Studies high-intermediate concepts of pronunciation, intonation, stress, and English phonics. Expands use of simple statements, questions, and commands on familiar topics as well as academic lectures. Emphasizes active participation in academic and social conversations. Includes weekly use of the UVU Language Lab where high-intermediate conversation skills are emphasized and practiced.

ESL 1320

Reading Level III

5:5:0 Fall, Spring, Summer

Prerequisite(s): Department Approval

For students whose native language is other than English. Studies high-intermediate vocabulary, word attack skills, English dictionary usage, and comprehension skills. Encourages reading for pleasure and for information. Practices academic and job-related reading skills. Emphasizes extensive reading.

ESL 1330

Writing Level III

5:5:0 Fall, Spring, Summer

Prerequisite(s): Department Approval

For students whose native language is other than English. Studies high-intermediate English writing conventions including applied grammar and usage, word choice, style, organization, idea development, and technical accuracy. Explores longer academic writing tasks. Includes weekly use of the LEC Computer Classroom where high-intermediate writing skills are emphasized and practiced.

About Our Program

Mission Statement

The mission of the UVU English Language Learning program is to help non-native English-speaking students understand and successfully use academic English at an American university. To accomplish this goal, our faculty and coursework provide a broad range of excellent academic and social opportunities. These opportunities help students develop and show proficiency in the skills of reading, writing, grammar and listening/speaking.

UVU ESL Program Curriculum

Levels of Instruction

The UVU ELL Program has five levels of study. Classes focus on the language necessary to successfully study in an American college or university. Each level takes one 15-week semester (including summer) to complete. True beginning level students need five semesters to complete the program, while other students need less time depending on their previous exposure to English and their initial level of placement.

All ELL Program courses count toward a student's Grade Point Average (GPA) and appear on his or her transcripts. Levels 2 through 4 are credit bearing and level 4 students can apply up to 18 credits to fulfill the foreign language requirement for an associate or bachelors degree.
