Follow-up items

- The scheduling wizard site has been taken down – most of the material was on other sites

Partnerships/sponsors

- Was brought up in academic affairs council
- Some departments have sponsors or partnerships and have those logos on their sites
- There is an issue when by clicking on the logo it takes you off UVU's site so there is no branding
- Working on policies that will govern this practice
- Need to define partnership and sponsorship

Web Accessibilities

- Report of the progress being made on accessibility issues
- Further information: <http://uvu.edu/web/accessibility/resources/index.html>
- Will have trainings in the future
- Affects search engines and can help individuals

Training

- Presented the training available through uvULearn (uvu.bridgeapp.com or my.uvu.edu/uvulearn)
- Added terms of service – make sure that people are aware of the responsibilities associated with having OU Campus access

Update on OU Campus group rights

- Have been modified rolls
- Have made content contributors optional
- Have modified who can access and modify different the pieces of the web site

Maps

- Reviewed progress on the new map system

- Committee working on the maps meets twice a month
- Asking for points of interest on campus to create 360 panoramic pictures – forward suggestions to Scott (scottd@uvu.edu), also forward suggestions for sub layers
- Working on icons with UVU Branding
- Will be able to create links to map from web sites
- Is in beta
- Will be on the public web site
