

Fall 2026 Childcare Schedule Request

Understanding your eligibility is key to requesting childcare hours. Your requested hours should reflect the following criteria:

- Students taking face-to-face classes receive priority scheduling, especially during peak hours.
- Full-time students may request hours equal to their credit hours PLUS 10 hours.
 - Example: 12 credit hours = up to 22 *subsidized* weekly childcare hours.
- Part-time students may request childcare hours equal to their credit hours PLUS 5 hours.
 - Example: 6 credit hours = up to 11 *subsidized* weekly childcare hours.

Wee Care's operating hours are from 7:30 a.m. to 6:00 p.m. You should factor in at least 30 minutes of travel time before and after class. Keep in mind, that there will be charges for early drop-off and late pick-ups. Due to lunchtime, there is no drop-off or pick-up between 12:00 p.m. and 12:30 p.m.
